“Dedal - Attestation and Certification” Ltd., as an European Third Party Authority, verifies that on the basis of the results of the review of the Factory Production Control Documentation and Initial Type Testing of the product: **NON-ALLOY STEEL TUBES** with tested characteristics acc. to Test reports from 24.10.2015 and 26.10.2015 (**System of Attestation of Conformity 4**, acc. to Regulation 305/2011 Construction Products), corresponds to the requirements of the following standard:

EN 10255:2004+A1:2007

The manufacturer can proceed with the CE marking with the obligation to issue a Declaration of Performance.

All modifications to the Technical File should be submitted to the Third Party Inspection Authority to ensure further validity of this attestation.

This certificate was first issued on 30.11.2015 and remains valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. This certificate should be reissued not later than 30.11.2018
